The College of New Jersey STUDENT HEALTH INSURANCE PLAN

2022-2023 Academic Year

Health Insurance Requirement

Pursuant to New Jersey law, The College of New Jersey (TCNJ) is required to offer Student Health Insurance coverage to its full-time students. TCNJ meets the requirements of the state law by offering a Student Health Insurance Plan (SHIP) to its full-time students. Full-time students are automatically billed for the full amount of the insurance on their term bill by the Office of Student Accounts. Full-time students have the opportunity to waive/opt out of this coverage by providing evidence of health insurance coverage to the insurance company by the waiver deadlines established by TCNJ.

Insurance Cost & Coverage Periods

The student insurance plan is insured by Aetna Student Health and provides national coverage through their national PPO network. Students do not have to select a primary care physician and referrals are not required. **In order to keep the premium competitive, the following benefit changes were made: Deductible increased to \$350 preferred care/\$700 non-preferred care, Out of Pocket Maximum increased to \$7,000 preferred care/\$14,000 non-preferred care, and preferred care outpatient Physical Therapy/Occupational Therapy/Speech Therapy changed from \$25 copay to 80% coinsurance.**
