

## Payment Plan Update Fall 2023

As we prepare for the Fall 2023 semester and the issuance of the semester bill, you may be thinking about ways to make payment before the due date. We excited to share with you changes to our payment portal and the College's authorized payment plan, through our third-party provider Transact Campus, which provides you with the flexibility of monthly payments to pay your semester tuition and fees. When you enroll into a payment plan, your identification is validated real-time — ensuring your account is set up properly with the school.

Our payment portal will look a little different going forward, however it will make paying your tuition and fees easier. Our new, enhanced platform has all the great features of our previous payment plan platform, however it provides improvements we believe you'll appreciate.

- You'll see a more intuitive, modern, mobile-friendly interface making it easier to enroll, make a payment, or check your account
- Avoid the high cost of traditional loans and pay only one low fee at the time of enrollment into a payment plan.
- Pay the entire semester bill or the amount remaining after financial aid in monthly installments
- Make convenient electronic payments which now includes 529 provider electronic transfers as well as international wire payments
- Choice to receive notifications or receipts sent via text messaging
- Current payment plan students (set up prior to Spring, 2023) -- If you have set up monthly, automatic payments- you will need to reauthorize the automatic payments.
- Easily invite family members to become Authorized Payers if they are assisting you with your college expenses

Current students as well as new incoming students will need to invite their parents or whomever is assisting with making payments on their behalf to become an Authorized Payer. Please visit the following link for further information and user guides, <https://studentaccounts.tcnj.edu/authorized-payer-for-online-payments/>

The enrollment period for the upcoming Fall 2023 semester payment plan will open on July 19th. For more information on our payment plan, please visit our payment plan website at <https://studentaccounts.tcnj.edu/billing/bill-payment-options/installment-payment-plan/>.

If you need assistance with navigating the website or enrolling into a payment plan, please contact the Transact Campus Customer Care Center, Monday through Friday, 8AM-9PM EST at 1-877-821-0625 or Ms. Rayanne Conyers-Tiwari, the Payment Plan Administrator, at The College of New Jersey via email at [paymentplan@tcnj.edu](mailto:paymentplan@tcnj.edu).
